

COVID COMMUNITY CHAMPIONS

Become a Covid Community Champion to help keep your friends, family and work colleagues happy and healthy in these difficult times.

What we'd like you to do:

- Attend a short online Covid Community Champion training course and regular meetings to keep up to date on Covid-19.
- Share this information with friends, family and other people where you live or work.
- Share your experiences with the Covid Community Champion Coordinator and other Covid Community Champions so that we can improve how we do things.

We'd like Covid Community Champions to have the following skills and interests:

- An Interest in helping people to stay healthy.
- Good communication skills.
- A sensitive and caring attitude towards others.

What you'll get out of it:

- A chance to improve your knowledge about Covid-19 and be part of slowing the spread of the virus where you live or work.
- You'll help your friends, family and community to have a positive approach to staying happy and healthy in difficult times.
- Useful experience if you're interested in a career in health, sport or social care.
- A chance to meet new people.
